## Three Rivers Stone

### Standup Flagstone

This argillite stone was formed in the Sawtooth Mountains in Idaho. The swirl pattern and tiger stripes of golds, tans, beiges, white & plums are unlike any other stone.

Palletized on edge in Appox. 4000 lbs. pallets.

Item code	Description	Unit	Approx. Coverage
100000	1" Minus Stand up 8" to 4 sf pieces	Ton	190 SF
